SIR LYNNEWOOD'S VICTORY.

RUNS AWAY FROM OPPONENTS AT BRIGHTON BEACH UNDER HEAVY WEIGHT.

Watervliet Wins Like a Good Two-Year-Old—Earl G. Defeats Trash and Juggler—Two Horses Bleed in One Race.

New York, July 10.—Sir Lynnewood, the only flat runner in the stable of J. E. Widener, carried top weight and won the feature race of the card at Brighton Beach this afternoon with great ease from six others, including the high-priced, but disappointing Fountainblue, Zienap and others. Notwithstanding that the Brady horse has invariably pulled up lame after every one of his recent races, the public made him a strong second choice. Sir Lynnewood was always an odds-on favorite and monopolized the big support. This veteran racer is one of the most conspicuous examples of a thoroughbred improved with age of the past decade. Formerly confined exclusively to participation in sprint races, the grand looking son of Sir Dixon—Lady Wayward bids fair to make his mark as a long-distance performer in his old age as a racer.

Weather conditions were perfect. The track was fast, but a trifle too hard and the card offered nearly a high-class one from a racing standpoint, despite its lack of stake features. The racing compared favorably with any afternoon program of the season, although any first money on the program did not exceed $525.

The record of the present meeting for formful results is still kept up, three favorites, one second choice and two comparative outsiders proving successful.

Walter Miller's skill enabled Golconda to capture the maiden opening race for three-year-olds and over at one mile and a sixteenth. The steeplechase, which followed and was won by Waterspeed, developed into a procession, but was interesting enough to watch, although the result was hardly ever in doubt.

Watervliet confirmed the general opinion in the third race for two-year-olds that he is a youngster of stake caliber masquerading as a selling plater. This also applies to Enfield, which scored in the other race for two-year-olds.

David Dunlap acquired Jule Garson's fast two-year-old, Takahira, at private sale after the fifth race today.

J. L. McGinnis was promptly on hand to boost the winner, Enfield, which was entered to be sold for $500. The colt was finally knocked down to his bid of $1,100. Woodford Clay, the owner, protested the sale, claiming that Judge McDowell overlooked the protecting bid of trainer F. Brooks, which was made before Enfield was knocked down to McGinnis. No official protest had been filed with the stewards up to the time of their departure from the track. They did, however, conduct a brief investigation into the Star Shoot youngster's sudden and marvelous improvement as compared with his preceding race, and it developed that his customary equipment of blinkers, which he wore today, with such astounding results, had been left off on Tuesday when he ran his bad race.

With the exception of Brighton Beach all the racing associations up to Jamaica and Aqueduct have practically decided to run a majority of their stakes, if not all, and it is almost a sure thing that the two end-of-the-season meetings will fall in line in that respect, if there is the slightest prospect of their breaking anywhere near even on the proposition. Consequently the sport appears in much better condition than it did a fortnight ago.

Jesse Lewisohn is spending the summer at the farm owned by J. B. Brady, situated about thirty miles from the New Jersey coast.

Dr. Saylor, the track veterinarian, was given charge of the horse, Disaster, after his race of yesterday, but found no evidence of doping.

It is an unusual occurrence to have two bleeders in one race, but that is what happened in the last race at Brighton Beach today, the horses St. Joseph and Crack Shot both pulling up with hemorrhages from the nostrils.

Earl G., a wonderfully improved three-year-old, won an impressive victory in the long-distance race, last on the card. The time, 2:06, was fast, and the company behind him included Trash and Juggler.

MANY BETTING INDICTMENTS RETURNED.

Twenty-Two Arrested Men Arraigned in a Brooklyn Court and Plead Not Guilty.

New York, July 10.—Twenty-two alleged violators of the Hart-Agnew anti-betting law, who were arrested at Gravesend and Sheepshead Bay since it went into effect, have been indicted by the Kings county grand jury and were today arraigned and held for trial each in $500 bail by Judge Norman S. Dike in the County Court, Brooklyn.

Then the grand jury questioned John Boden, secretary of the Brighton Beach Racing Association, the first of several race track officials whom Robert H. Elder, acting district attorney, has said he would examine. The questioning of track officials and attaches is being done with a view to learn if race track officials take money for bookmaking privileges. Mr. Boden was asked about the financial arrangements of John G. Cavanagh, superintendent of the betting rings of the metropolitan tracks. The witness was asked if Cavanagh did not receive money from the bookmakers for the privilege of obtaining advance information concerning the races, and if any of this money reached the jockey club officials. Mr. Boden denied that the jockey club received any benefits from the money paid, that it was a private privilege of Mr. Cavanagh open to anyone who wished to obtain the information.

The indicted bookmakers are Edward J. Callaghan, George R. Lichtenstein, Orlando A. Jones, George Cafferatti, Mortimer J. Kahn, Jeremiah Lockhardt, Leon A. Cohen, Charles Dowd, Joseph Hickey, Charles Ballinger, James Brutt, Jacob Davidson, Thomas Ruth, Ray Ballinger, Alexander C. Goriay, Charles McClure, Michael Kayser, Henry Hayman, George Carhardt, Sol Robinson, Louis Daniels and Philip Donahue.

Twenty of the men were represented in court by Stephen D. Baldwin, as counsel, while M. J. McCrossin appeared for Kayser and Orlando Jones. When the twenty-two were arraigned before Judge Dike, the indictment was read to them charging each with violation of Section 351 of the penal code, which relates to poolselling and bookmaking. The offense is a misdemeanor and punishment prescribed is not more than one year's imprisonment, without the alternative of a fine. Each of the twenty-two pleaded "not guilty," and bail in $500 was imposed, the men being paroled in the custody of their counsel for twenty-four hours.

Some of the indicted men are prominent members of the Metropolitan Turf Association. None of them acknowledges having any fear as to the final outcome. "Acquittal is certain," they said. "We simply listened to oral proposals from intending bettors. Not a scintilla of evidence exists that any such wagers were accepted by any of us."

FAVORITES FARE BADLY AT WINDSOR.

Six Out of Seven Fail Their Supporters—Ellicott Defeats Martin Doyle.

Detroit, Mich., July 10.—Evenly balanced fields produced exciting contests at Windsor this afternoon, the winners in six of the races being forced to stand hard drives to win by small margins. In the first two races the result was in doubt until the official placing was displayed. The seven favorites were beaten, but all the winners were heavily backed, Mary Hall being backed from 20 to 12 to 1, and Miss Vigilant from 8 to 5 to 1. F. Burton rode two winners, Ceremonius and Miss Vigilant.

In the opening race Waterbury was looked on as the next thing to a certainty, 1 to 3 being accepted about him at post time. He flattered his backers by dashing to the front and leading until well in the homestretch, where Mary Hall caught him. The pair fought it out all of the last furlong and in the final drive Mary Hall managed to poke her head in front.

Theo Cook, favorite in the second race, might have won had Harty taken advantage of the start. He beat his opponents away from the barrier by a couple of lengths but was taken under restraint, and Ceremonius, coming fast in the stretch, got up in the last few strides and beat him out by a nose.

In the feature race, a mile condition dash, Ellicott ran to his best form and, after meeting with interference on the first turn, closed with a game effort and outstayed Martin Doyle in a gruelling drive. Lawrence P. Daley was knocked out of any chance on the first turn.

St. Ilario clipped a full second off the track record in the fifth race when he ran the mile and three furlongs in 2:21⅗. He was the only easy winner of the day, galloping home two lengths in front of Doubt.

After betting had been going on for fifteen minutes in the first race, it was discovered that one of the entries, Jack Dolan, was sick and permission was asked by the owner to scratch. A veterinarian was found and said he was suffering from a slight attack of influenza and the judges excused him. Money wagered on Jack Dolan was refunded, but all other bets stood.

Among the arrivals from Latonia today were T. P. Hayes, W. W. Lyles, W. W. Woodward, Frank Fowler and jockey Troxler.

The ten days' suspension against jockey E. Walsh was lifted by starter Dade and the boy will be permitted to ride for his employer, J. H. Madigan.

Harry White, secretary of the Quebec Jockey Club, arrived this morning and distributed condition books for the Quebec meeting among the horsemen. Several stables will ship to Quebec next week, among them Wayne Joplin, M. Goldblatt, Knebelkamp & Bradfield, J. R. McKee and a division of the R. L. Thomas stable. An effort is being made to secure judge J. J. Burke to act as presiding judge. Jockey Englander left for Quebec last night and T. and C. Koerner will leave with the Joplin stable.

DAY OF DULL RACING AT SEATTLE.

Seattle, Wash., July 10.—As was to have been expected from the mediocre fields that furnished the racing it was a day of disappointment at The Meadows. For the second time this week all the favorites were bowled over. Colonel Dick, Webber, Mechlin, Ida May, J. F. Donohue and Wise Child making up the list. The last named ran like a false alarm, showing nothing to warrant the support lavished upon him. Colonel Dick and Mechlin were both sadly deficient in speed. Webber was simply not good enough. J. F. Donohue was the victim of a poor ride and Ida May was unable to cope with the steadily improving Fern L., which easily scored her third straight victory of the meeting. Abbey and Il Tremor, two of the winners, displayed conspicuous improvement over their last previous performances.

Jacob Schaefer, editor of the Staats Zeitung and Presse, has taken the initiative towards the organization of a local branch of the Personal Liberty League and his paper will lead the fight against all prohibition movements in this state.

R. F. Friedman, the San Francisco turfman, was an arrival today.

MR. CORRIGAN MAY RACE DOWN EAST.

New York, July 10.—An inspired announcement was made at Brighton Beach today to the effect that the Coney Island Jockey Club officials had the reinstatement of Edward Corrigan under discussion at a meeting today and that it had been unanimously decided to restore him to all privileges of their race course, which had been denied him for many years past.

Prior to 1891 Mr. Corrigan raced his horses over the eastern tracks at will. In that year he desired to start his colt, Huron, in the Futurity, but the club held that Huron had been declared out at the time of or prior to his purchase from Belle Meade Farm. Mr. Corrigan thought otherwise and, securing an injunction, forced the club to allow his colt to start. Huron ran second, but was ignored in the placing, second place being given to Yorkville Belle and third to Dagonet. Corrigan sued for second money and lost the case after it had been carried to the court of last resort. This was the cause of his being barred from eastern racing.

TROTTING HORSEMEN IN OHIO POLITICS.

Cleveland, O., July 10.—Electors of North Randall, the site of the new race course that will replace the famous Glenville or Cleveland Driving Park trotting track, caucused yesterday for the nomination of the first village ticket. B. O. Shank, owner of the Forest City stock farm and known as a driver and trainer, was named for mayor. Henry Chisholm, an ex-member of the legislature and auditor of the pool-selling bill passed by the general assembly and vetoed by Governor Herrick, was nominated for clerk. Harry Devereux, a star amateur driver and breeder of national reputation, was nominated for treasurer, and T. J. Redmond, superintendent of the Forest City Farm, for marshal. Charles Bennett, Clarence Johnson, Emmett English, Eugene Masterman, Sidney Dickerson and H. R. Barnett, farmers living near the track, were the choice for the council. The election will be held July 22 and there will be no opposition.

LEXINGTON TO HAVE A FALL MEETING.

Lexington, Ky., July 10.—The suspension of racing at the Latonia track will have no effect on the fall meeting here. Secretary W. R. Letcher says that dates will be asked of the Racing Commission at the proper time, probably late in September or early in October. This will be the second fall meeting held in many years. Turfmen believe the suspension at Latonia will benefit the local meeting. Mutuel machines will be used.

PAT DUNNE BUYING MORE RACE HORSES.

Lexington, Ky., July 10.—Milton Young sold the speedy three-year-old Honest to Pat Dunne today. The sale was made over the long-distance telephone, Mr. Dunne being in Cincinnati. The price was not made known. Mr. Dunne at the same time asked for a price on the two-year-old Semproni.

The stables of J. C. Milam and Jack Baker arrived from Latonia this morning.

Winner—B. g. by Goldcrest—Fond Recollection (trained by M. Feakes).

Went to post at 2:29. At post 2 minutes. Start good. Won driving; second and third the same. Golconda was patiently reserved in inside, but forward, pursuit of the pacemaker for six furlongs, then got up in a fast stretch sprint. Florence II. made the running to the last fifty yards before succumbing. Monocle, away badly on the extreme outside and making a wide first turn, closed up steadily under an inadequate ride and was best. Chaplet broke slowly, but closed up in the middle running and finished well. Coat of Arms, after early close pursuit under a pull, failed to stay. Montrose made up ground throughout. Rosario got away badly and was never dangerous. Count Reinferd was gaining in the stretch.

Scratched—75786 Shadow Glance, 107; 75346 Gramsar, 107.

Overweights—Golconda, 1 pound; Chaplet, 1; Rosario, 2.

Winner—Ch. f. by Watercolor—Sue Kittie (trained by M. Daly).

Went to post at 2:54. At post 1 minute. Start good. Won easily; second and third the same. Waterspeed made the running by a wide gap throughout and, despite several costly blunders, won with speed in plenty to spare. Delcanta, reserved in the rear for the first mile, was not able to get up in a game, but vain, effort. Robador held on very well, but fenced clumsily, losing ground at every obstacle. Sandy Creeker maintained nearest pursuit of the winner for a mile and fell and had good prospects when he came to grief.

Winner—Ch. g. by Watercress—Fleurette (trained by J. I. Smith).

Went to post at 3:25. At post 2 minutes. Start good. Won easily; second and third driving. Watervliet decisively outbroke, outpaced and outstayed his opposition and is nearly high class. Helen Harvey, from an outside good start, ran in nearest pursuit throughout, but bolted on the stretch turn, losing several lengths. Sniff, away badly, closed a big gap in a great stretch rush. Queen of Trent, away poorly, steadily improved his position. Merry Gift, after a rough early journey, loomed up well midway of the stretch and tired in the final drive. Arondack was going fast at the end. Catherine Simpson finished close up and easing up. Harlem Maid was away poorly. Merise showed superior early speed, but tired.

Went to post at 3:51. At post 3 minutes. Start good. Won easily; second and third driving. Sir Lynnewood outbroke the others and was reserved in close pursuit in the middle running, then moved into a commanding lead on the stretch turn and won off as his rider pleased. Zienap, shut off on the first turn and waiting under a pull for the first half, moved up simultaneously with the favorite and could never get up, but was a fast going second and is very good. Moonshine, away poorly, forced the pace to the far turn and held on very persistently for third place. Sailor Girl steadily improved her position and ran a good race. Fountainblue forced and set the pace for six furlongs, then dropped out, quit very badly and pulled up lame. Campaigner was hopelessly outpaced throughout. Killiecrankie was prominent for six furlongs.

Scratched—75837 Dolly Spanker, 107.

Winner—Ch. c. by Star Shoot—Isolee (trained by F. Brooks).

Went to post at 4:20. At post 4 minutes. Start good. Won easily; second and third driving. Enfield, after being in striking distance pursuit of the pacemakers, drew out like a shot midway of the stretch and won as his rider pleased. Killcreen, a grand looker, broke and ran green in the early running, went wide on the turns, finished like a cyclone and is a coming good one. Takahira set the pace to the last hundred yards before he tired and failed to stay. Chaperon maintained close and persistent pursuit of the pacemaker and was wearing him down at the end. Dearly Bell, away badly on the inside in close quarters, closed an immense gap. Dandy Dixon also made up much ground from a poor start. Mystify is a fast non-stayer. The winner, entered for $500, was bid up to $1,100 and bought by J. L. McGinnis.

Overweights—Chaperon, 3 pounds; Merry Widow, 2.

Winner—Ch. c. by Pirate of Penzance—Alma T. (trained by W. R. Griffin).

Went to post at 4:50. At post 1 minute. Start good. Won easily; second and third driving. Earl G. spreadeagled his opposition for one mile and then came away at the end with a rush from Trash's menacing midstretch challenge. The latter was patiently and skillfully reserved within striking distance in the early running and loomed up with a rush in the last quarter, but was prevented from coming through on the inside by the leader and forced to pull up in the final strides. Juggler found the track too hard and sulked almost throughout, seemed beaten off on the stretch turn, but came again unexpectedly. Lally was well up all the way. Red Friar, outpaced for half the journey, finished well. St. Joseph dropped out at the half and bled. Crack Shot ran in prominent contention for nearly a mile, then quit badly and also bled. The winner was entered for $1,500; no bid.

Scratched—75790² Beauclere, 106; 75865 Bartender, 109.

Overweights—Crack Shot, 1 pound.

GREAT TEST CASE THROUGH CAVANAGH.

Commencement of One is Likely to Come If Former Betting Manager Is Indicted.

New York, July 10.—The calling of John Cavanagh and his assistants before the grand jury makes it plain that an attempt is being made by Governor Hughes and his direct aides to prove connection between Cavanagh, the former manager of the betting ring, and the race track owners, who, according to the statement of acting District Attorney Elder, have received a revenue from bookmakers for the privilege of doing business at the track.

Cavanagh declares that he has never sold privileges to bookmakers or anybody else and that the sale of "advance information" is strictly a private business venture. The "advance information" has been sold to all persons who wished to get the names of the jockeys and starters ten minutes before they were publicly posted. The slips have also been handed to the newspapers to facilitate the sending of reports from the track. Cavanagh never has received a salary from the race tracks for conducting affairs in the betting ring. He was permitted to sell stationery to bookmakers and others before the new law was passed. It was also his privilege to gather the "advance information," which has grown into a profitable business.

Cavanagh has repeatedly stated that the racing associations have never received one dollar of the profits accruing from his privileges in the ring.

It is likely that Cavanagh's indictment will make the grand test case against the Hart-Agnew law. He will probably be charged under that law, with aiding and abetting bookmaking and gambling on the metropolitan race tracks.

There is sharp demand here that a real test case be started at once. A writer in the Telegraph defines public opinion as it is applied to the racing situation in this way:

"It is due the Jockey Club from itself and it is due the lovers of racing from the Jockey Club that a radical test be made of the law Governor Hughes forced through the legislature. This test was expected immediately upon the signing of the statute and its taking effect. It should not be delayed.

"Attorneys for the Jockey Club and lawyers in general, in proportion of seven out of ten, assert the invalidity of the Hughes law for the prevention of racing. They base their argument on the informality, the illegality, of the election of Senator Wallace, who took the deceased Franchot's place. Here is a vital law point in dispute with the courts open for its final settlement.

"Just by way of settlement of a debatable question, the entire matter should be gone through in an upper court. The Jockey Club is the body upon which devolves the duty of testing the law. The Jockey Club rules govern racing and racing men, therefore the Jockey Club should assure itself that the statute laws affecting the turf are legally enacted.

"It is possible the Jockey Club is awaiting until after the political conventions before making the supreme test of the virtue of this Hughes law. I have heard it suggested that none will be made until after the nominees are decided upon by the parties and bosses and handed out to the waiting electorate. Judging from past records I should say this may be true. The Jockey Club may be holding off fearing that if the Hughes law is torn up the back, Hughes will make himself again the candidate for governorship. It is not probable that Hughes would get as many votes in the state convention as he got at Chicago for the presidency. I believe that if he were to make a campaign on the platform of "No Racing," as he threatened, in case this law were not passed, he would be defeated as joyously and decisively as he would on any other platform. Whether he has acted in good faith—which I doubt—or not, Hughes, as a political power, has gone to waste—and his political power, by the way, was wholly delegated. He has no inherent merit. Whether Hughes is a danger or not; whether the issue is racing or no, it is not the part of courage for the Jockey Club to await an easier time for the test. For this fight all seasons should be summer and all opportunities should be accepted. The winning of cases on technical objections in low courts and continuing injunctions by agreement, is not entirely agreeable to the men who uphold the sport and who are made or broken as horse breeding becomes an established industry or is destroyed by a whimsical bigot.

"This is hardly the time to remain quiescent, but rather the time for the Jockey Club to get up and hurl a few bricks on its own account. It has stopped sufficient in the past to afford it a good supply of ammunition."

NOTES OF THE TURF.

Dandelion, a notable race horse in his day, and beautifully bred, is now six years old and is said to be getting so whimsical that Mr. F. R. Hitchcock is on the point of retiring him.

A good judge of a rider says of Master Gilbert, Tom Williams' 16-year-old Montana-born Irish lightweight riding in the east: "He is good in a race, energetic and smart at the barrier and in a finish has horse sense, a good pair of hands, and while not a muscular boy, he can rattle up a slow horse and hunch a laggard with a lot of energy."

James W. Colt claimed Harry Vingut's mare Waterspeed after the selling steeplechase handicap last Tuesday at Brighton Beach, in which she was beaten by Rocket. Waterspeed cost him $980. She is cheap at such a price, for she is a clever jumper with a good turn of speed, and her colored trainer, S. S. Marshall, has taught her jumping thoroughly.

NOTES OF THE TURF.

During her racing career in England the famous mare Pretty Polly won twenty-one races, and such a public favorite was she that the longest price ever laid against her was 6 to 1 upon the occasion of her first start as a two-year-old.

It is possible that Mr. Vingut may put the Nasturtium horse Corncob, which won a good race at Brighton Beach Wednesday, through the field in the fall. Corncob is of high speed and fine size. Mr. Vingut and Marshall, his trainer, both believe Corncob will make good at chasing. He has been schooled and he jumps swiftly and naturally.
